

Walkabout Wrexham - Evening Walks 2025

Please Note

All the walks are lead by trained volunteers.

For all the walks, everyone should meet at 18.15 for an 18.30 start.

Distances, ascents and times for the walks are all approximate and routes may need to be amended on the day depending on the weather, size of the group or other changed circumstances.

Walks are roughly graded with harder walks being longer, likely to cross rough ground, go over stiles and include inclines which may be steep so requiring walkers to have a good level of fitness.

Walkers will need suitable footwear (boots for the harder walks) and clothing. They should bring water and a snack and for the longer walks.

Thursday 26th June

About 5 miles (8 km) with 880 ft (270 m) of ascent.....Harder

An approximately 2.5-3 hour circular walk from **Trevor Basin** up towards Trevor Hall Woods and Offa's Dyke Path.
