Walking Festival June 2026

9 days of FREE walks exploring the beauty and history of NE Wales

Saturday 6th June - Sunday 14th June

MORE DETAILS OF HOW TO FIND THE STARTING POINTS OF WALKS

The easiest way to find the starting point for any of our walks is to use the free phone app – **what3words**. Post codes in rural areas can cover a large amount of ground but what3words is very precise and takes you to the exact place you want to find.

Once you have downloaded the app, type in the what3 words code (eg [///spilled.completed.quietest](#) for Walk 2 on Sat 6th June from Brymbo Enterprise Centre and click on **Navigate**. If you then follow the link to **Google maps**, it will give a suggested route and directions. Press **Start** and it acts as a SatNav telling you exactly where to go.
